

## Brill University Apartments

*Improving the north side one residence at a time!*

Since 1988, Jim Brill has purchased homes and apartment buildings on Youngstown's north side to rent to neighborhood residents and Youngstown State University students. Through a mix of contract work and sweat equity, Jim transformed 118 and 124 Madison Avenue, 845 Ohio Avenue, and the Park View Manor Apartments on Park Avenue. Several of his tenants find completely renovated kitchens and bathrooms, as well as new carpeting and windows. He undertook a complete renovation at 845 Ohio Avenue, which he notes turned out well. Currently, he is working on renovations for (formerly) 914 Elm Street.

Jim takes pride in restoring northside residences to make the neighborhood safe and inviting. For more information about leasing with Brill University Apartments, contact Jim Brill at 330-727-9040.
